

THE INCREDIBLE GERMAN ATOMIC DEATH RAY

By Lisa Vollard

Ladies and Gentlemen, I am not kidding you! At the Nuremberg War Crimes Trials, the Judge (mind you not the attorney for the prosecution, but the judge, *who is supposed to be impartial*) accuses the Germans of inventing some kind of atomic energy weapon. This weapon supposedly was used to instantly *vaporize 20,000 Jews without a trace*, in a mock village near Auschwitz.

AND SIXTIETH DAY

Morning Session

[The Defendant Albert Speer resumed the stand.] (page 529)

[...]

"MR. JUSTICE JACKSON: **And certain experiments were also conducted** and certain researches conducted **in atomic energy**, were they not?"

SPEER: We had not got as far as that, unfortunately, because the finest experts we had in atomic research had emigrated to America, and this had thrown us back a great deal in our research, so that we still needed another year or two in order to achieve any results in the splitting of the atom.

MR. JUSTICE JACKSON: The policy of driving people out who didn't agree with Germany hadn't produced very good dividends, had it?

SPEER: Especially in this sphere it was a great disadvantage to us.

RIGHT: Robert H. Jackson, c. 1945, who presided over "war crimes trials"; and who believed in the German "Atomic Disintegration Device."

MR. JUSTICE JACKSON: Now, I have certain information, which was placed in my hands, of an experiment which was carried out near Auschwitz and I would like to ask you if you heard about it or knew about it. **The purpose of the experiment was to find a quick and complete way of destroying people without the delay and trouble of shooting and gassing and burning, as it had been carried out, and this is the experiment, as I am advised. A village, a small village was provisionally erected, with temporary structures, and in it approximately 20,000 Jews were put. By means of this newly invented weapon of destruction, these 20,000 people were eradicated almost instantaneously, and in such a way that there was no trace left of them; that it developed, the explosive developed, temperatures of from 400° to 500° centigrade and destroyed them without leaving any trace at all.**

Do you know about that experiment?

SPEER: No, and I consider it utterly improbable. ...”

PRESUMED GUILTY

Note also *the presumption of guilt*, embedded within the accusation, for which there was obviously never a shred of actual evidence – i.e., **“shooting and gassing and burning, as it had been carried out.”**

Against such baseless and bizarre accusations, none of the accused after Hermann Goering were allowed to make any effective defense.

Obviously, this whole story was supposed to open the door for an explanation for the

miraculous disappearance of millions of Jews, and other people supposedly murdered, **so that the prosecution would never have to provide any evidence at all; because it had been “atomically disintegrated!”**

(LEFT) Albert Speer was found guilty of war crimes and crimes against humanity, though he was acquitted on the other two counts. On October 1, 1946, he was sentenced to 20 years' imprisonment. While three of the eight judges (two Soviet and one American, Francis Biddle) initially advocated the death penalty for Speer, the other judges did not, and a compromise sentence was reached "after two days' discussion and some rather bitter horse-trading". – Wikipedia

Unfortunately, this was not an isolated incident. The Nuremburg “show trials” were full of obviously faked evidence and forged reports, usually submitted from unaccountable sources, and blithely accepted as “common knowledge” - without any investigation or allowance for rebuttal.

It was upon proceedings such as this, that people were murdered by hanging, and a mythological exaggeration of the Holocaust was founded. This prototype has been used to generate similar atrocity fakery ever since, driving propaganda fueled wars through to this very day.

How many more people have to die, because psychopathic leaders cannot break their addiction to lying? When will our mass media change their depraved but easy lives of acting like cheap whores, and investigate propoganda before reporting it?
